ADDITIONAL COMMENTS:

The state of Iowa continues to address reduced participation numbers for the Title I Adult program. While impacts from the COVID-19 pandemic are still being seen as participation numbers for the Title I program continued to be reduced; currently the Title I Adult program is meeting all areas. Additional to meeting all areas, ongoing training is being delivered to the Local Workforce Development Areas (LWDAs) and AJCs to maintain and improve the results related to service delivery; as well increase the emphasis on performance, data validation and serving the targeted populations as identified under WIOA.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.
